

The Crooked Fiddle Band

Tech Rider/ Stage Plot 2023

Totals:

DI x 2
 Vocal Mic x 4
 Instrument Mics:
 for guitar amp x 1
 for 5 piece drum kit x ?
 for bass snare effect x 1
 Monitors x 5

1) BACKLINE & TECH

- Violin has own preamp/DI with XLR out - just need XLR
- Guitar amp - mic
- Bass amp - line out
- Bass fuzz - a snare drum that is moved in front of the amp for fuzz - mic'd and blended with line signal
- Drum Kit: LEFT HANDED 4piece
- Vocals: main vox at drums and violin

2) FOLDBACK

- **Violin send** - violin only (very loud), vox.
- **Guitar send** - mainly guitar & vox, with some kick & bass, no violin.
- **Double Bass send** - mainly bass & vox, with some kick & guitar, no violin.
- **Drum send** - kick, guitar, bass, vox, no violin.

3) FRONT OF HOUSE

- **Violin** is main focus - treat as main vox, but **no reverb** please.
- Music is primarily **instrumental**, with occasional vocals.
- Style is high energy, fast acoustic music.

4) Onstage SOUNDCHECK order

We get our onstage sound fastest in this order:

- Drums
- Drums + Bass
- Drums + Bass + Guitar
- Drums + Bass + Guitar + Violin
- Drums + Bass + Guitar + Violin + Vocals
